

SC2

3.5MM TRS PATCH CABLE

The SC2 is a high-quality shielded 3.5mm TRS to TRS patch cable. It is designed to connect microphones with a TRS output, such as a RØDE VideoMic, to devices with a TRS input, like a camera. Featuring a coiled cable, it extends from 170mm to up to 400mm, and has right-angle connectors with gold-plated contacts for superior audio reproduction.

- High-quality shielded 3.5mm TRS to TRS patch cable
- 400mm reach (max)
- Gold-plated contacts for superior audio reproduction
