

SC7

TRS TO TRRS CABLE

The SC7 is a high-quality shielded 3.5mm TRS to TRRS patch cable. It is designed to connect microphones with a TRS output to devices with a TRRS input like a smartphone or tablet. Featuring a coiled cable, it extends from 170mm to up to 400mm and has right-angled connectors with gold-plated contacts for superior audio reproduction. The gold-plated contacts are colour coded, with grey indicating the TRRS output.

- High-quality shielded 3.5mm TRS to TRRS patch cable
- 400mm reach (max)
- Gold-plated contacts for superior audio reproduction
