

VIDEOMIC ME-C+

DIRECTIONAL MICROPHONE FOR USB-C MOBILE DEVICES

The VideoMic Me-C+ is a high-quality microphone for Android and iOS mobile devices with a USB-C port, designed to give you incredible audio when shooting video. The microphone's directionality reduces surrounding noises to focus on exactly what you are filming, making sure your videos sound clear and intelligible. The 3.5mm jack provides a headphone output for audio monitoring and playback.

- Designed for Android and iOS mobile devices with a USB-C port
- 3.5mm headphone output jack for direct monitoring
- Furry windshield included to help reduce wind noise
- Works seamlessly with RØDE Capture, RØDE Reporter and other recording apps

2 YEAR WARRANTY

HEADPHONE OUTPUT JACK

DESIGNED FOR ANDROID AND iOS DEVICES

NO BATTERY REQUIRED
