

LAVALIER GO™

PROFESSIONAL WEARABLE MICROPHONE

The Lavalier GO is a professional-grade lavalier microphone designed for use in a wide range of presentation, interview and content creation applications. The 3.5mm TRS connector is ideal for use with RØDE wireless systems such as the Wireless ME, Wireless GO II and Wireless PRO, and is suitable for use with other recording devices that feature a 3.5mm TRS input.

- Professional-grade lavalier microphone
- High-quality omnidirectional capsule
- 3.5mm TRS jack for connecting to wireless microphone systems such as the Wireless ME, Wireless GO II or Wireless PRO
- Ultra-durable design with Kevlar® reinforced cable
- Available in black or white
