IMPORTANT SAFETY INFORMATION

1. Read and understand the instructions and safety guide completely before using the product.
2. Ensure both the instructions manual and any available guide are accessible to all users, ensuring that the user is informed.
3. Use only the product with authorized RØDE accessories.
4. Do not open the product housing. This will void the warranty.
5. Keep all service and repair to RØDE-approved service personnel. Service or repair is required for products that have been damaged, exposed to liquid, rain or moisture, or do not operate normally.
6. Use the product only in the ways described in the instructions.
7. Keep the product away from liquids and electrically conductive objects that are not necessary for operation.
8. Do not use any solvents or corrosive cleaning agents to clean the product.
9. Do not adjust the controls of the product in an environment that requires your attention (operating machinery, driving etc.).
10. To prevent possible hearing damage, do not listen at high volume levels for long periods.

Hereby, RØDE Microphones, declares that the VideoMic Me-L & MicroLED are in conformity with the relevant Union harmonization legislation: Directive 2014/30/EU.
