TRIPOD 2
CAMERA AND ACCESSORY MOUNT

The Tripod 2 is a sturdy three-position tripod for mounting cameras, microphones and other accessories. In the closed position, it is perfect for handheld use. The tripod legs can also be opened out to a mid or wide setting for optimal positioning and stability. The Tripod 2 has a 1/4" thread for attaching cameras and camera accessories, and also includes a 1/4" to 3/8" thread adaptor for use with microphones. There are also six 1/4" female thread connectors — two on each tripod leg — for mounting accessories onto the side.
