

SC15

LIGHTNING ACCESSORY CABLE

The SC15 is a high-quality Lightning Accessory Cable (USB-C to Lightning) designed to connect MFi-certified USB-C microphones and other equipment to iOS devices with a Lightning port. Measuring 30cm long, it is particularly suitable for connecting Apple mobile devices to a wide range of RØDE VideoMics, wireless and USB microphones, and even the RØDECaster range of production consoles.

Note: This cable will not charge or sync your iOS device.

- High-quality shielded USB-C to Lightning patch cable
- Junction box for cable management
- 300mm (11.8 in) long
